

Guarantee

All Play Fitness equipment is guaranteed against product malfunction for 2 years. Covering installation parts and labour, this does not cover deliberate damage or misuse of equipment.

Annual Inspection

An overall inspection of all aspects of your site should be carried out once a year, ideally by an independent Inspector.

Complete records of annual inspections and remedial works should be kept.

Maintenance inspection

The maintenance inspection should be carried out every three months. The extent to which the playground is used and environmental influences are also factors that will help you determine the frequency of such inspections. The inspection of the equipment should be carried out by a competent person in strict accordance with the manufacturer's instructions. The level of competence required will vary with the task.

A maintenance inspection includes:

- Checking the equipment for missing loose or broken components.
- Check all nut caps and replace if necessary.
- Checking that fixings are secure.
- Lubrication of bearings.
- Inspecting the coating and touching up any scratches or rust to paintwork using the appropriate paint.

Accurate records of maintenance inspections should be kept.

maintenance inspection includes 3 x term visits, price available on request.
